#### GEORGIA ON MY MIND 18

*Georgia (the central asian republic, not the US  
state) is considered the birthplace of modern  
winemaking with a history of production going  
back 8,000 years, yet is rarely thought of  
stateside when it comes to high quality,  
interesting wines. Let's change that with  
these three amazing bottlings.*

Georgian Sun Saperavi-Aleksandrouli Red
